Board Leadership Structure

The Board appointed Mr. William J. O'Neill, Jr., an independent director, to serve as the Chairman of the Board of Directors. The Board has elected to separate the Chairman function from that of the Chief Executive Officer, who serves as our principal executive officer, due to a belief that separating these functions, and empowering an independent director to chair the Board meetings, will result in increased Board oversight of management activities.

Stockholder Communications with the Board of Directors

Pursuant to procedures set forth in our bylaws, our nominating committee will consider stockholder nominations for directors if we receive timely written notice, in proper form, of the intent to make a nomination at a meeting of stockholders. To be timely, the notice must be received within the time frame identified in our bylaws. To be in proper form, the notice must, among other matters, include each nominee's written consent to serve as a director if elected, a description of all arrangements or understandings between the nominating stockholder and each nominee and information about the nominating stockholder and each nominee. These requirements are detailed in our bylaws, which were filed as Appendix D to our definitive proxy statement on Schedule 14A as filed with the SEC on August 30, 2007. A copy of our bylaws will be provided upon written request to the Chief Executive Officer at AdvanSource Biomaterials Corporation, 229 Andover Street, Wilmington, MA 01887.

Code of Conduct and Ethics

We have adopted a code of ethics that applies to our chief executive officer and chief financial officer. The code of ethics is posted on our website at www.advbiomaterials.com. We intend to include on our website any amendments to, or waivers from, a provision of our code of ethics that applies to our chief executive officer or chief financial officer that relates to any element of the code of ethics definition enumerated in Item 406 of Regulation S-K.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors and persons who beneficially own more than 10% of a registered class of our securities to file reports of ownership and changes in ownership with the SEC. Based solely on a review of copies of such forms submitted to us, we believe that all persons subject to the requirements of Section 16(a) filed such reports on a timely basis in fiscal 2016.

Corporate Governance and Guidelines

Our Board of Directors has long believed that good corporate governance is important to ensure that AdvanSource is managed for the long-term benefit of stockholders. During the past year, our Board of Directors has continued to review our governance practices in light of the Sarbanes-Oxley Act of 2002 and recently revised SEC rules and regulations. This section describes key corporate governance guidelines and practices that we have adopted. Complete copies of the corporate governance guidelines, committee charters and code of ethics described below are available on our website at www.advbiomaterials.com, and any amendments to any of the foregoing corporate governance documents or any waivers of our code of ethics will be posted on our website. Alternatively, you can request a copy of any of these documents by writing to the Chief Executive Officer, AdvanSource Biomaterials Corporation, 229 Andover Street, Wilmington, MA 01887.

The Board has adopted corporate governance guidelines to assist the Board in the exercise of its duties and responsibilities and to serve in our best interests and those of our stockholders. These guidelines, which provide a framework for the conduct of the Board's business, include that:

- the principal responsibility of the directors is to oversee our management;
- a majority of the members of the Board shall be independent directors;
- the non-management directors meet regularly in executive session; and
- directors have full and free access to management and, as necessary and appropriate, independent advisors.

Committees of the Board of Directors

Audit Committee

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Board has designated, from among its members, Mr. William J. O'Neill, Jr. as the member of the Audit Committee. The primary functions of the Audit Committee are to represent and assist the Board of Directors with the oversight of:

- appointing, approving the compensation of, and assessing the independence of our independent auditors;
- overseeing the work of our independent auditors, including through the receipt and consideration of certain reports from the independent auditors;
- reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures;
- coordinating the Board of Director's oversight of our internal control over financial reporting, disclosure controls and procedures and code of conduct and ethics;
- establishing procedures for the receipt and retention of accounting related complaints and concerns;
- meeting independently with our internal accounting staff, independent auditors and management; and
- preparing the audit committee report required by SEC rules.

The Board of Directors has determined that Mr. O'Neill is an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K.

During the fiscal year ended March 31, 2016, the Audit Committee met four (4) times. The responsibilities of the Audit Committee are set forth in its written charter, which is posted on our website at www.advbiomaterials.com under the "Investor Relations – Corporate Governance" section.

The Compensation Committee did not meet during fiscal 2016.

Compensation is paid to our executive officers in both fixed and discretionary amounts which are established by the Board of Directors based on existing contractual agreements and the determinations of the Compensation Committee. Pursuant to its charter, the responsibilities of the Compensation Committee are (i) to assist the Board of Directors in discharging its responsibilities in respect of compensation of our senior executive officers; (ii) review and analyze the appropriateness and adequacy of our annual, periodic or long-term incentive compensation programs and other benefit plans and administer those compensation programs and benefit plans; and (iii) review and recommend compensation for directors, consultants and advisors. Except for the delegation of authority to the Chief Executive Officer to grant certain de minimus equity compensation awards to our non-executive employees, the Compensation Committee has not delegated any of its responsibilities to any other person.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee consists of Mr. Mark R. Tauscher. The Nominating/Corporate Governance Committee’s responsibilities include identifying individuals qualified to become Board members; recommending to the Board the persons to be nominated for election as directors and to each of the Board’s committees; and reviewing and making recommendations to the Board with respect to management succession planning. The Nominating/Corporate Governance Committee did not meet independently during the fiscal year ended March 31, 2016. Employment Agreements; Change in Control and Severance Provisions

Terms of Employment Agreement with Chief Executive Officer

We entered into an employment agreement with Michael F. Adams on September 13, 2006, effective August 7, 2006 (the "Adams Agreement").

The Adams Agreement provides for Mr. Adams to serve as our President & Chief Executive Officer. Pursuant to the terms of the Adams Agreement, as amended on July 10, 2007, Mr. Adams' annual base salary was initially set at \$290,000, effective April 1, 2007. The Adams Agreement provides for Mr. Adams' salary to be reviewed annually by the Board. Additionally, Mr. Adams may also be entitled to receive an annual bonus payment in an amount, if any, to be determined by the Compensation Committee of the Board. In May 2010, the Compensation Committee of the Board of Directors approved an increase in Mr. Adams' annual base salary to \$320,000, retroactive to April 1, 2010. There was no bonus awarded to Mr. Adams during the fiscal years ended March 31, 2016 and 2015.

The term of the Adams Agreement expired on August 6, 2008. The Company did not renew the Adams Agreement at the end of the initial term; however, the Adams agreement provides that lacking any express agreement between the parties at the end of the Employment Period, the Adams Agreement shall be deemed to continue on a month-to-month basis. As a result, the Adams Agreement currently continues on a month-to-month basis and is subject to all of the terms and conditions of the Adams Agreement. We and Mr. Adams each have the right to terminate the Adams Agreement at any time, with or without cause, as defined below, upon 30 days prior written notice. In the event that we terminate the applicable Adams Agreement without cause, or Mr. Adams terminates his employment for good reason following a change in control, as defined below, or we fail to renew the Adams Agreement within two years following the occurrence of a change in control, Mr. Adams will be entitled to receive severance equal to 2.0 times his annual base salary at termination. In such event, Mr. Adams will be bound by a non-compete covenant for one year following termination of his employment.

Employment Agreement Definitions

Good Reason. "Good Reason" shall mean, during the nine month period following a Change in Control, (1) a good faith determination by the chief executive officer that as a result of such Change in Control he is not able to discharge his duties effectively or (2) without the chief executive officer's express written consent, the occurrence of any of the following circumstances: (a) the assignment to the chief executive officer of any duties inconsistent (except in the nature of a promotion) with the position in the Company that he held immediately prior to the Change in Control or a substantial adverse alteration in the nature or status of his position or responsibilities or the conditions of his employment from those in effect immediately prior to the Change in Control; (b) a reduction by the Company in the Base Salary as in effect on the date of the Change in Control; (c) the Company's requiring the chief executive officer to be based more than 25 miles from the Company's offices at which he was principally employed immediately prior to the date of the Change in Control except for required travel on the Company's business to an extent substantially consistent with his present business travel obligations; or (d) the failure by the Company to continue in effect any material compensation or benefit plan in which the chief executive officer participates immediately prior to the Change in Control unless an equitable arrangement (embodied in an ongoing substitute or alternative plan) has been made with respect to such plan, or the failure by the Company to continue the chief executive officer's participation therein (or in such substitute or alternative plan) on a basis not materially less favorable, both in terms of the amount of benefits provided and the level of his participation relative to other participants, than existed at the time of the Change in Control. The chief executive officer's continued employment shall not constitute consent to, or a waiver of rights with respect to, any circumstance constituting Good Reason hereunder.

Change in Control. A “Change in Control” shall occur or be deemed to have occurred only if any of the following events occur: (i) any “person,” as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), (other than any majority owned subsidiary thereof, the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, any trustee or other fiduciary of a trust treated for federal income tax purposes as a grantor trust of which the Company is the grantor, or any corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportion as their ownership of stock of the Company) is or becomes the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company’s then outstanding securities on any matter which could come before its stockholders for approval; (ii) individuals who, as of the date hereof, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the date hereof whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the directors of the Company, as such terms are used in Rule 14a-11 of Regulation 14A under the Exchange Act) shall be, for purposes of this Agreement, considered as though such person were a member of the Incumbent Board; (iii) the stockholders of the Company approve a merger or consolidation of the Company with any other corporation, other than (A) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 80% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation or (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no “person” (as hereinabove defined) acquires more than 50% of the combined voting power of the Company’s then outstanding securities; or (iv) the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company’s assets.

Cause. “Cause” shall mean any of the following:

- misconduct of the chief executive officer during the course of his employment which is materially injurious to the Company and which is brought to the attention of the chief executive officer promptly after discovery by the Company, including but not limited to, theft or embezzlement from the Company, the intentional provision of services to competitors of the Company, or improper disclosure of proprietary information, but not including any act or failure to act by the chief executive officer that he believed in good faith to be proper conduct not adverse to his duties hereunder;
- willful disregard or neglect by the chief executive officer of his duties or of the Company’s interests that continues after being brought to the attention of the chief executive officer;
- unavailability, except as provided for in Section 3.5 of the Employment Agreement (Disability or Death), of the chief executive officer to substantially perform the duties provided for herein;
- conviction of a fraud or felony or any criminal offense involving dishonesty, breach of trust or moral turpitude during the chief executive officer’s employment;
- the chief executive officer’s breach of any of the material terms of the Employment Agreement (including the failure of the chief executive officer to discharge his duties in a highly competent manner) or any other agreements executed in connection with the Employment Agreement.

Potential Payments Upon Termination or Change in Control

The following table describes the estimated incremental compensation upon (i) termination by us of the Chief Executive Officer without Cause, (ii) termination for Good Reason by the Chief Executive Officer following a Change in Control, or (iii) failure by us to renew the Employment Agreement within two years following the occurrence of a Change in Control. The estimated incremental compensation assumes the triggering event had occurred on March 31, 2016. Benefits generally available to all employees are not included in the table. The actual amount of compensation can only be determined at the time of termination or change in control. No other named executive officer in fiscal 2016 is entitled to receive any payments upon termination or a change of control.

Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table sets forth the beneficial ownership of shares of our common stock, as of July 15, 2016, of (i) each person known by us to beneficially own five percent (5%) or more of such shares; (ii) each of our directors and current executive officers named in the Summary Compensation Table; and (iii) our current executive officer and directors as a group. Except as otherwise indicated, all shares are beneficially owned, and the persons named as owners hold investment and voting power.

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934. Under this rule, certain shares may be deemed to be beneficially owned by more than one person, if, for example, persons share the power to vote or the power to dispose of the shares. In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire shares, for example, upon exercise of an option or warrant, within 60 days of July 15, 2016. In computing the percentage ownership of any person, the amount of shares is deemed to include the amount of shares beneficially owned by such person, and only such person, by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date.

Item 13. Certain Relationships and Related Transactions, and Director Independence

On August 22, 2013, Mr. Adams, our Chief Executive Officer, and David Volpe, our former Chief Financial Officer, participated along with three independent investors (collectively, the “Investors”) in an aggregate financing resulting in the issuance of \$100,000 in promissory notes. Messrs. Adams and Volpe each contributed approximately \$13,000 in cash. In addition to the promissory notes, Messrs. Adams and Volpe also received warrants entitling them to exercise said warrants in 54,375 shares of our common stock at an exercise price of \$0.075 per share. As of March 31, 2016 and 2015, the principle balance of the promissory notes was \$0 and \$50,000 in the aggregate, respectively, of which \$0 and \$12,500 in the aggregate was due to Messrs. Adams and Volpe, respectively. All warrants issued in connection with this transaction expired on August 21, 2014. Additionally, since February 22, 2014, the promissory notes accrued interest at the rate of 2% per month. As of March 31, 2016 and 2015, the accrued interest recorded on the promissory notes was approximately \$0 and \$13,000, respectively, of which \$0 and \$3,000, respectively, was due to Messrs. Adams and Volpe

Transactions with related parties, including, but not limited to, members of the Board of Directors, are reviewed and approved by all members of the Board of Directors. In the event a transaction with a member of the Board is contemplated, the Director having a beneficial interest in the transaction is not allowed to participate in the decision-making and approval process. The policies and procedures surrounding the review, approval or ratification of related party transactions are not in writing, nevertheless, such reviews, approvals and ratifications of related party transactions are documented in the minutes of the meetings of the Board of Directors and any such transactions are committed to writing between the related party and us in an executed engagement agreement.

Independence of the Board of Directors

The Board of Directors has adopted director independence guidelines that are consistent with the definitions of “independence” as set forth in Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In accordance with these guidelines, the Board of Directors has reviewed and considered facts and circumstances relevant to the independence of each of our directors and director nominees and has determined that, each of our non-management directors qualifies as “independent.”

Board Attendance

The Board met one time during the year ended March 31, 2016. Each director attended this meeting of the Board and of committees of the Board on which he served during fiscal 2016. The non-management members of the Board met, without any members of management present, at the scheduled Board of Directors meeting. The members of the Board and its committees did not act by unanimous written consent during the year ended March 31, 2016 pursuant to Delaware law. We do not have a formal policy regarding attendance at the Annual Meeting by directors, but we strongly encourage all directors to attend the Annual Meeting when an Annual Meeting is held.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee. The membership of each, as of July 15, 2016, is indicated in the table below.
